

Certification of Compliance with American Recovery and Reinvestment Act of 2009

Project:

Location:

The manufacturer/supplier of this material/equipment is aware that the Owner may receive Federal Funds for the Project under the American Recovery and Reinvestment Act of 2009 (Pub. L. No. 111-5) and said Act and published OMB Guidance (2 CFR Part 176, Appendix 9) contain the following requirements:

"None of the funds appropriated or otherwise made available by the Recovery Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless (1) the public building or public work is located in the United States; and (2) all of the iron, steel, and manufactured goods used in the project are produced or manufactured in the United States. (i) Production in the United States of the iron and steel used in the project requires that all manufacturing processes must take place in the United States, except metallurgical processes involving refinement of steel additives. These requirements do not apply to iron or steel used as components or subcomponents of manufactured goods used in the project. (ii) There is no requirement with regard to the origin of the components or subcomponents in manufactured goods used in the project, as long as the manufacturing occurs in the United States."
